Note: Navigation service requires SYNC®4 and FordPass Connect (optional on select vehicles), complimentary connect service and the FordPass app (see FordPass Terms for details). Customer receives a complimentary 3-year trial of navigation services when an eligible vehicle is added to member's FordPass account. Trial period begins with new vehicle warranty start date. At the end of the complimentary period, access to connected navigation services will be discontinued.

Connected service and features depend on compatible Bell network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features.

FordPass App, compatible with select smartphone platforms, is available via a download. Message and data rates may apply.

- Forward Sensing System
- Headlamps – Auto lamp (Automatic On/Off)

² Incremental to the standard Ford Co-Pilot360™ 2.0 features.

 - Six (6) Speakers
 - Media Bin, Open
 - MP3 Capable
 - Speed-Compensated Volume
 - SiriusXM® with 360L
 - Super Categories / Live Sports Categories
 - "For You" Recommendations
 - SiriusXM Listener Profiles

Note: Includes a three (3)-month prepaid subscription and is available in select markets only. Trial length and service availability may vary by model, model year or trim.

Details: SiriusXM audio and data services each require a subscription sold separately, or as a package, by Sirius XM Radio Inc. Your SiriusXM service will automatically stop at the end of your trial unless you decide to subscribe. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Current information and features may not be available in all locations, or on all receivers. Satellite and streaming lineups vary slightly.

© 2020 Sirius XM Radio Inc. Sirius, XM, SiriusXM and all related marks and logos are trademarks of Sirius XM Radio Inc.

- Charge Cord
 - Switchable cord end to allow customer charge functionality with 120V (NEMA 5-15) up to 15 Amps or 240V (NEMA 14-50) up to 32 Amps
 - Portable Charge Cord
 - Single Phase On-board Charger
- Charge Capability
 - SAE J1772 CCS (Combo Connector System) Charge Port capable of charging³ on 120V, 240V and Direct Current (DC Fast Charge)⁴
 - AC Charging: Up to 10.5kW with 48 Amps capability
 - DC Charging: Up to 150kW capability
 - LED Charge Status Indicator on Charge Port with Courtesy Illumination

³ When vehicle is attached to appropriate EVSE or portable charge cord

⁴ Two (2)-Year access to Ford Virtual Charging Network FordPass Connect, (optional on select vehicles), the FordPass App., and FordPass Connect Service are required for remote features (see FordPass Terms for details). Connected service is now complimentary for remote features excluding Wi-Fi hotspot. Connected service and features depend on compatible Bell network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Certain restrictions, 3rd-party terms or message/data rates may apply. At purchase, the FordPass Connect modem in some models is connected and sending vehicle data (e.g., diagnostics) to Ford. Vehicle data is stored by Ford Motor Company in the United States and may be accessible by US governmental authorities. To disable, or for more information, see in-vehicle connectivity settings. Learn more at www.FordConnected.com

 - Note:** Not available with Ford Co-Pilot 360 Active 2.0 (50H), Black Painted Roof (94B) or Panoramic Fixed-Glass Roof (43B)

¹ Hands-Free, Foot Activated Liftgate functionality is integrated in the Intelligent Access with Push-Button Start key fob

² **Note:** 20" Summer Tires (245/45R20) Ford does not recommend using summer tires when temperatures drop to approximately 7°C (45°F) or below (depending on tire wear and environmental conditions), or in snow/ice conditions. If the vehicle must be driven in these conditions, Ford recommends using winter tires.

³ Sueded Cloth
