 - Connected Built-In Navigation with 3 Years of Service, EV Trip Planner, Pinch-to-Zoom Capability, Live Traffic, Predictive Destinations and Route Guidance

Note: Navigation service requires SYNC@4 and FordPass Connect (optional on select vehicles), complimentary connect service and the FordPass app (see FordPass Terms for details). Customer receives a complimentary 3-year trial of navigation services when an eligible vehicle is added to member's FordPass account. Trial period begins with new vehicle warranty start date. At the end of the complimentary period, access to connected navigation services will be discontinued.

Connected service and features depend on compatible Bell network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features.

FordPass App, compatible with select smartphone platforms, is available via a download. Message and data rates may apply
- Forward Sensing System
- Headlamps – Autolamp (Automatic On/Off)
- 4-Door Intelligent Access (Lock/Unlock) with Push-Button Start and SecuriCode™ Keyless Entry Keypad

 - Speed-Compensated Volume
 - SiriusXM® with 360L
 - Super Categories / Live Sports Categories
 - "For You" Recommendations
 - SiriusXM Listener Profiles

Note: Includes a three (3)-month prepaid subscription and is available in select markets only
Trial length and service availability may vary by model, model year or trim.
Details: SiriusXM audio and data services each require a subscription sold separately, or as a package, by Sirius XM Radio Inc. Your SiriusXM service will automatically stop at the end of your trial unless you decide to subscribe. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then- current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com All fees and programming subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Current information and features may not be available in all locations, or on all receivers. Satellite and streaming lineups vary slightly.
© 2020 Sirius XM Radio Inc. Sirius, XM, SiriusXM and all related marks and logos are trademarks of Sirius XM Radio Inc.
 - Charge Cord
 - Switchable cord end to allow customer charge functionality with 120V (NEMA 5-15) up to 15 Amps or 240V (NEMA 14-50) up to 32 Amps
 - Portable Charge Cord
 - Single Phase On-board Charger
 - Charge Capability
 - SAE J1772 CCS (Combo Connector System) Charge Port capable of charging² on 120V, 240V and Direct Current (DC Fast Charge)³
 - AC Charging: Up to 10.5kW with 48 Amps capability
 - DC Charging: Up to 150kW capability
 - LED Charge Status Indicator on Charge Port with Courtesy Illumination
 - Charge Management
 - Ability to adjust and schedule charging along with intergration to FordPass Connect™
 - Compass (Direction Symbols)
 - Electric Power-Assisted Steering (EPAS)
 - Enhanced Memory – Save settings for Driver Display, Radio, Navigation and Driver Assistance Technologies
- ² When vehicle is attached to appropriate EVSE or portable charge cord
³ Two (2)-Year access to Ford Virtual Charging Network

STANDARD EQUIPMENT

- FordPass Connect™
 - 4G LTE Wi-Fi hotspot connects up to 10 devices⁴
 - Enables FordPass App Features
 - FordPass App Features:
 - Remotely start, lock and unlock vehicle⁴
 - Locate parked vehicle⁴
 - Check vehicle current state of charge and set departure times⁴
 - Schedule times to charge your vehicle and set charge level notifications⁵
 - Set preferences with Remote Vehicle Setup⁵
 - FordPass™ Power My Trip⁵
 - Locate & pay for charging⁵

⁴ FordPass Connect, (optional on select vehicles), the FordPass App., and FordPass Connect Service are required for remote features (see FordPass Terms for details). Connected service is now complimentary for remote features excluding Wi-Fi hotspot. Connected service and features depend on compatible Bell network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Certain restrictions, 3rd-party terms or message/data rates may apply. At purchase, the FordPass Connect modem in some models is connected and sending vehicle data (e.g., diagnostics) to Ford. Vehicle data is stored by Ford Motor Company in the United States and may be accessible by US governmental authorities. To disable, or for more information, see in-vehicle connectivity settings. Learn more at www.FordConnected.com.

⁵ To qualify for complimentary charging offer, modem must be activated within 60 days of purchase through the FordPass App on a smartphone. Complimentary charging expires 2 years from vehicle purchase date. Offer excludes idle fees and parking violations associated with charging.

- Set up Plug & Charge⁵
- Phone As A Key⁵
- Front and Rear Stabilizer Bar
- Front Trunk
- Rain-Sensing Wipers (Front Only)
- Regenerative Braking System
- SYNC® 4 with Enhanced Voice Recognition
 - 15.5" LCD Capacitive Touchscreen with Swipe
 - Wireless Phone Connection
 - Cloud Connected
 - AppLink® w/App Catalog
 - 911® Assist
 - Wireless Apple CarPlay® and Android Auto™ Compatibility
 - Digital Owner's Manual
 - Adaptive Dashcards
 - Personal Profiles
 - Conversational Voice Command Recognition
- Three Selectable Drive Modes (Engage, Whisper, Unbridled) and One Pedal Driving Mode
 - EcoCoach (efficient driving assistant) – available with Engage mode
- USB Ports, First and Second Rows – One (1) "A" and one (1) "C" in each row
- Transmission Oil Cooler
- Universal Garage Door Opener (UGDO)
- Wireless Charging Pad
