- Trial length and service availability may vary by model, model year or trim.
- Details:** SiriusXM audio and data services each require a subscription sold separately, or as a package, by Sirius XM Radio Inc. Your SiriusXM service will automatically stop at the end of your trial unless you decide to subscribe. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Current information and features may not be available in all locations, or on all receivers. Satellite and streaming lineups vary slightly.

¹ Designed to optimize driving dynamics and provide superior performance on wet and dry roads. Ford does not recommend using summer tires when temperatures drop below approximately 45 deg F (7 deg C) or in snow/ice conditions. If the vehicle must be driven in these conditions, Ford recommends using mud and snow, All-season or snow tires.
