

501-14 Handles, Locks, Latches and Entry Systems
Description and Operation

2021 Mustang Mach-E
Procedure revision date: 11/11/2020

Handles, Locks, Latches and Entry Systems - Component Location

NOTE: Door latch control modules shown with double lock actuators (if equipped).

| Item | Description |
|------|--|
| 1 | Front trunk luggage compartment release switch |
| 2 | Right front door lock actuator |
| 3 | <u>DCMF</u> (Right front door latch) |
| 4 | Right front exterior door latch switch |
| 5 | Right rear door lock actuator |
| 6 | <u>DCMH</u> (Right rear door latch) |
| 7 | Right rear exterior door latch switch |
| 8 | Keyless entry rear antenna |
| 9 | <u>RGTM</u> (if equipped) |
| 10 | Left rear exterior door latch switch |
| 11 | <u>DCMG</u> (Left rear door latch) |
| 12 | Left rear door lock actuator |
| 13 | Left front door lock actuator |
| 14 | Left front exterior door latch switch |
| 15 | <u>DCME</u> (Left front door latch) |
| 16 | Front trunk release module (<u>GFM</u>) |
| 17 | Front trunk release relay module |
| 18 | <u>BCM</u> |
| 19 | Hood latch release cable actuator |
