

# Mustang Club of America

## WELCOME TO THE MCA!

We are happy to have you join us! As a member of the Mustang Club of America, you've become part of an organization that is dedicated to the preservation and restoration of the most popular automobile of our time—the Ford Mustang. Members of the MCA exert a positive influence on the Mustang hobby. Additionally, you are part of an organization that Ford Motor Company turns to for input and feedback.

The MCA sponsors several yearly National shows. Every five years, the MCA celebrates the introduction of the Mustang in conjunction with Ford Motor Company, and the founding of the MCA itself. These special events are typically celebrated at a large venue with a huge show, track activities, organized drives, entertainment, vendors, sponsors, and much more!

In addition to static car shows, the MCA sponsors several "driving events" each year. In various areas of the USA you'll find drag racing, autocross events, driving schools, and road race events. All of these are for your viewing or participating enjoyment.

The MCA's news magazine—*Mustang Times*—is published monthly. This full-color news magazine provides event coverage, feature articles on members' cars, news on the latest parts and happenings in the Mustang hobby, complete event listings, and numerous sources for parts for your Mustang. One additional benefit of MCA membership is free 50-words-or-less, non-business classified ads in the *Mustang Times*.

The MCA's website, [www.mustang.org](http://www.mustang.org), is an additional source of event listings, MCA merchandise and clothing as well as tech articles. There is also a listing of Gold Card Judges who can serve as a great resource on showing, restoring, or modifying your Mustang. A complete listing of all MCA's Regional Clubs can also be found on the website. If you haven't joined a local club, we encourage you to do so.

### Additional benefits include:

- Personalized membership card
- MCA decals - we've included two
- Discount on registration at National and Grand National shows
- Discounted collector car insurance from Heacock Classic.

Again, we welcome you! Please don't hesitate to contact any of the any questions or concerns. Contact information is listed in the *Mus*.
